

MAYFL Equipment Return Instructions and Inventory Checklist

Please refer to the schedule below detailing the time slot for your team's equipment return. We appreciate your help in insuring that all equipment is returned to the MAYFL in good, clean condition. Pictures will be distributed to players at equipment return once their equipment has been turned in and is in clean condition. Please use the cleaning guidelines below when preparing each piece of equipment for return. Please do not remove any factory labels from any equipment.

Cleaning Guidelines (check boxes when completed)

Helmets

- Remove all stickers, decals, tape, mouthguards, etc.
- Wash inside and outside of helmet with a damp cloth containing a mild detergent and warm water.

Shoulder Pads

- Wipe shoulder pads clean with a damp cloth containing a mild detergent and warm water.

Practice Pants

- White practice pants can be washed with a small amount of bleach and detergent.

Pant Pad Sets

- Pads may be wiped clean with mild detergent and warm water.
- Place pant pad set in a sealable Ziploc type bag.**

Game Jersey

- Game jerseys can be washed only in detergent and stain removing solutions (no bleach!).
- Hang jerseys on a hangar and let them air dry. Do not use an automatic dryer. This will cause the lettering to delaminate.

Inventory Sheet

- Parents, please complete the inventory checklist for all returned items. This is used to maintain an accurate account of equipment for next year.
