

MAYFL Equipment Care Instructions

Helmets

- Wash inside of helmet out with a damp cloth containing a mild detergent. Leave chin strap and ear pieces attached to helmet.
- Remove all decals and stickers from helmets.

Shoulder Pads

- Once shoulder pad straps have been adjusted, tape clips to elastic strap with athletic tape.

Practice Pants

- White practice pants can be cleaned with a small amount of bleach and detergent.

Pant Pad Sets

- Pads may be wiped clean with a mild detergent and bleach solution. **Return pads dry, and in a Ziploc bag.**

Game Jersey

- Game jerseys can be washed only in detergent and stain removing solutions (no bleach!).
- Let jerseys air dry. Do not use an automatic dryer. This will ruin the lettering.

Game Pants (if issued)

- Colored game pants must be washed only in detergent and stain removing solutions (no bleach!). All white pants can follow same rules as above for white practice pants.

Note: Please do not remove any factory attached labels or stickers from any MAYFL equipment.
